FRIENDLY SUIT OVER OLD CLAIM

Appropriation by Congress for Cargo Which Was Seized in 1796.

(Special to The Times-Dispatch.) NORFOLK, VA., March 17.-A friendly suit began in the Chancery Court here to-day for the distribution of \$11,946 among nineteen grandchildren or heirs, grandchildren of Richard Taylor, a Revolutionary War merchant, and exporter of Norfolk, the money having been allowed by the United States Court of Claims and appropriated by the last Congress in payment for the seizure by a French war vessel in 1796 of a boat load of tobacco sent out from Norfolk by Taylor, while the French and English were preying

sent out from Norfolk by Taylor, with the Prench and English were preying upon American commerce.

The United States naval coilier Ajax, one of the largest coiliers in the American navy, has arrived at the Norfolk navy yard from the Philippine Islands, after a service of two years in the East. She has a complete Chinese crew, with the exception of her captain and engineer officers, and is the first vessel in the government service to have a crew of Mongollans. After repairs, the Ajax will return to the Philippines, carrying coal from Lambert's Point.

SEPARATE RACES.

General Manager E. C. Hathaway, of the Norfolk Railway and Light Company, has made a proposition to the City Councils to separate the races in the street cars on the same plan as that used in Richmond. That is, to reserve several seats at the rear of each car for the use of negroes and reserve the majority of the seats in the car for white passengers. This is to be done only in case the City Councils insist on it for a compliance with the law.

The Norfolk Society for the Prevention

This is to be done only in case the City Councils insist on it for a compliance with the law.

The Norfolk Society for the Prevention of Cruelty to Children has determined to provide homes for the walfs and homeless children of this vicinity. Rev. W. Jarvis Maybee, of Richmond, superintendent of the Childrens' Home Society, of Virginia, has provided homes for several children, who were taken up by the police here, but the local society has determined not to allow any more children to be taken away from here, as the members prefer to know more of the destination of the orphang.

A. FORCEFFUL PLEA.

Commonwealth's Attorney John G. Tilton made an eloquent and forceful plea for the conviction of former Policeman C. T. Townley, who was tried in the Corporation Court yesterday, on the charge of taking \$700 from Ruby Ford, proprietress of two houses in Avon Street. The jury did not agree to a verdict and there will be another trial. During the speech of the attorney for the defense, there was a severe arraignment of the woman necause she had dared to say that she looked to "the policeman for protection, not robbery." and therefore gave the mode that he could secure the release of her sallor husband, now in the prisonship Southery as a deserter from the navy.
